Short CV – Ole Henrik Haslund

Degrees

- Msc (thesis in Marine Plankton Ecology) University of Copenhagen, Denmark (1990).

Positions

- Project Coordinator, Senior Executive Consultant, DTU Aqua, Technical University of Denmark (2009-present).
- EU Liaison Officer at University of Copenhagen, Innovation and Research Services, advice and assistance with respect European Commission's Framework Programme (2006-2009).
- EU Liaison Officer at University of Copenhagen, Rectors Office, advice and assistance with respect European Commission's Framework Programme (2004-2006).
- Project Manager at the Department of Epidemiology, Institute of Public Health, University of Copenhagen. Responsible for department's economy and management of external financed research projects including management of EC projects. http://www.ifsv.ku.dk/afdelinger/epidemiologi/ (2001–2004).
- Environmental Information and Monitoring Programme (EIMP) supported by DANIDA, under the Egyptian Environmental - Affairs Agency (EEAA) in Cairo, Egypt, Marine Biologist, COWI Consulting Engineers and Planners A/S. Implementing the coastal water monitoring component in the Red Sea and Mediterranean Sea. http://www.eeaa.gov.eg/eimp/introcw.html (1998-2000).
- Consultant for UNESCO office for Science and Technology Education, SEMEP (South Eastern Mediterranean Sea Project) http://www.unesco.org/new/en/natural-sciences/special-themes/science-education/environment/semep/ Organisation of meetings and working groups on marine environmental education curriculum in the Mediterranean area (1999-2001).
- UN staff member at Intergovernmental Oceanographic Commission (IOC) of UNESCO in Paris France, employed as Associate Expert on Ocean Science in Relation to Living Resources (OSLR) seconded by DANIDA. International marine science cooperation responsible for OSLR activities working *intern alia* with North America, NOAA, PICES, SCOR, GLOBEC and West Africa including the Benguela current system. http://ioc-unesco.org/ (1995-1998).
- Marine Zoology, Laboratory of Environmental Biology, Humlebæk, Denmark, monitoring of taxonomy and abundance of marine ciliates and zooplankton (1993-1994).
- Research Scientist at the Carbon 14 Agency at the Water Quality Institute (VKI) (now DHI) in Hørsholm, Denmark. Plankton ecology research on bacteria ingestion and ecosystem role of marine ciliates and flagellates in coastal areas. Connected to EC financed project SAFE and Phaeocystis (1991-1993).
- Research Scientist at the University of Lund, Sweden, Department of Marine Ecology. Plankton ecology and meso-cosmos experiments on zooplankton, ctenophores and ciliates with respect to eutrophication and harmful algal blooms (1990-1991).

Short description of expertise

- Provide advice and assistance with respect European Commission's Framework Programme (FP7 and Horizon 2020) including other national and international funding sources. Supporting all phases of the funding process, including assistance with proposal writing, negotiation, contract preparation and management when DTU Aqua is coordinator.
- Participate in the process of formulation of work programmes for Horizon 2020, SC2 "Food scrurity… Bio-economy" through support to the reference groups of the national program committee.
- Teaching experince: Annually traning course from 2005 -2016 in the course AEU - Administrative Supplementary. Training for University Employees. "Administration of EU research projects". http://www.aeu.dk/media/1189/kursus-i-administration-af-eu-projekter-2016-infofolder.pdf.

Grants including project management, 2011-present

- Involvement in EU Framework grants as Project Manager: H2020: DiscardLess, FP7: MYFISH, PRO-EEL, FACTS, FP6: Genomes to Vaccines, Transdeath, Promemoria.
- Innovationsfonden: EEL-HATCH.

Memberships of committees, work groups etc., 2011-present

- DARMA (Danish Association for Research Managers and Administrators, http://www.darma.dk/).
- EU-ERFA (EU ERFA-gruppen er en netværksgruppe for offentligt ansatte, der arbejder med Horizon 2020).
